-PRODUCER HIGHLIGHT-

ANNE GROS

"This philosophy is in keeping with a respect for tradition and a desire to innovate"

Anne Gros has many family members who make wine in Burgundy, but her wines are considered to be the highest echelon. The vines for Cuvée Marine sit at 1200ft elevation overlooking Vosne-Romanee. The higher elevation gives a crispness in the air which translates into a mineral snappiness in this cuvee, The flavors reminded Anne of the Brittany coast and she donned wine Cuvée Marine.

ANNE GROS, Haute-Cotes-De Nuits, Burgundy, France, Cuvée Marine 2008 (chardonnay)

-PRODUCER HIGHLIGHT-

ALTAMURA

Altamura is the only winery located in Wooden Valley, tucked away in a corner of Napa Valley that rarely sees crowds. It is small and remote with vineyards range from 700 to 1000ft. The fog descends quickly during the summer months in the valley that gives this little valley a longer growing season, helping to develop rich, powerful flavors. The 2007 vintage was a stunning vintage and shines through in this highly regarded release.
